The weathercock turns every way the wind blows, but the successful merchant must have a settled policy. He must follow it without flinching.

Our policy is the selling of the best groceries we can find. Of course the prices of such goods must be higher than of imitation brands but there are enough people in Hawaii who know the difference.

We appeal to those who know.

## FACTS OF THE PHILIPPINES

New York, May 31.—A dispatch to the Journal and Advertiser from London says:

A special dispatch from Lebaun announces that severe fighting is reported between Americans and Filipinos on the Island of Mindanao.

The principal city on the island, Zamboanga, has been bombarded and burned.

The same dispatch reports trouble in Sulu.

The Americans have blockaded the ports.

A British steamer was denied admission and was escorted seaward by the United States gunboat Cassin.

**Filipino Reign of Terror.**  
Manila, May 31.—Friendly natives arriving from the country around San Isidro and San Miguel report that a reign of terror has prevailed since the American troops were withdrawn from those parts of the islands. The insurgents who are returning are dealing vengeance upon those of their countrymen who have shown any friendship towards the Americans during the latter's occupation of the territory. The friendlies declare that unoffending people are being murdered daily and that their houses are being burned and their property confiscated. Plenty of sympathizers with the insurgents remained during the Americans' stay, and they have been reporting the instances of friendliness towards our troops.

The refugees add that the inhabitants were badly oppressed by the native soldiers before the American occupation, but that their condition is worse now. Doubtless there is much truth in the reports, though such stories from Filipino sources are always magnified.

**More Officers Captured.**  
Manila, May 31, 6:20 p. m.—Details regarding the capture by Filipinos of two officers of the United States hospital ship Relief yesterday have just been obtained. The Relief lies in the harbor in front of this city. Third Officer Fred Heppy and Assistant Engineer Charles Blanford rigged a sail on one of the ship's boats and went sailing along the shore on the south, opposite the insurgent lines. The boat became becalmed near the shore, and some native canoes, with Filipinos on board, put out and captured the two men, who were unarmed, and also took possession of the boat. The United States turret ship Monadnock sent a boat with a landing party ashore, under cover of her guns, and shelled the shore briskly. The natives, however, rushed the prisoners into the woods before the Monadnock's boat reached land. Persons on board several other ships saw the affair through glasses, but were unable to prevent the capture of Messrs. Heppy and Blanford.

**Reports on Increase.**  
"I was suffering from indigestion and my weight was reduced to one hundred and fifteen or twenty pounds. I have been taking Hood's Sarsaparilla and Hood's Pills and my health has been better than for years. My weight is now about 155 pounds." Mrs. Emily E. Burbank, Pine Grove, California.

Hood's Pills are non-irritating and the only cathartic to take with Hood's Sarsaparilla.

During the summer of 1891, Mr. Chas. P. Johnson, a well known attorney of Louisville, Ky., had a very severe attack of summer complaint. Quite a number of different remedies were tried, but failed to afford any relief. A friend who knew what was needed procured him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which quickly cured him and he thinks, saved his life. He says that there has not been a day since that time that he has not had this remedy in his household. He speaks of it in the highest praise and takes much pleasure in recommending it whenever an opportunity is offered. For Sale by all dealers. Benson, Smith & Co., General Agents.

## THE BREW OF OLYMPUS.

THE "HOFFMAN," corner of Hotel and Nuuanu streets, claims to be the "Banner" resort for gentlemen and holds the flag. L. H. Dee, the proprietor, has attained success in his line, by specially supervising everything connected with his establishment. He now introduces to his patrons "Olympia Beer." This brew is from the "Capital Brewing Co." of Olympia, the capital of the State of Washington, and was received by the "Garonne." Mr. Schmidt, the leading spirit of this corporation is a practical Chemist and Brewer, and after years of search and investigation located his plant at Olympia, on account of the peculiar virtues of the water of the Tum Falls, a stream that is noted for its distinctive qualities of clearness, coldness and lack of mineral and decaying vegetable impurities. Pure beer can only be made with pure water, and Tum water is traditional in Washington with the Indians and original white settlers. The "Olympia Draught" is under the special control and agency of Mr. Dee and he invites his patrons and friends to a personal test and is willing to abide by their judgment on the merits of his latest venture.
